

CIRCLE G PEGASUS AIRPARK LANDSCAPING SUPPLEMENT

Landscaping provides one of the most important features at *Circle G Communities*. The desired theme of an abundant landscape is achieved by the use of turf, shrubs, and live plant material groundcover, Xeriscape designs (lush green designs with plentiful quantities of trees, shrubs and groundcover, utilizing plant material that does not require a lot of water) are recommended.

Landscape is required for all residential front yards and street side yards visible from neighboring properties, streets and common areas.

A minimum of 40% coverage of live plant material is required in the yards, as described above. Walkways, driveways, or patio type areas shall not be included in this calculation. The yards shall be landscaped with turf, shrubs and live groundcover. All turf areas must be contained with a minimum of a 4" wide concrete or brick edge (header). The use of turf is optional.

Two twenty-four (24) inch box trees are to be planted eight to ten (8-10) feet behind the back of the curb in the front yard of the residence. These trees shall be one of the following varieties: Mesquite, Evergreen Elm, Ash, or an approved tree.

This supplement lists the approximate mature sizes of various "Desert Southwest Plants", and can be used to assist homeowners in determining areas of coverage when designing their landscaping. The mature plant size area is used to determine the 40% coverage.

**Plants for the Desert Southwest
TREES**

Botanical Name Common Name	Size Ht. x W.	Area Covered
Acacia abyssinica Abyssinian Acacia	25 x 25	491 sq. ft.
Acacia aneura Mulga	20 x 12	113 sq. ft.
Acacia salicina Willow Acacia	25 x 15	177 sq. ft.
Acacia smallii Desert Sweet Acacia	20 x 20	314 sq. ft.
Acacia stenophylla Shoestring Acacia	30 x 20	314 sq. ft.
Acacia willardiana Palo Blanco	20 x 10	78.5 sq. ft.
Brahea armata Mexican Blue Palm	40 x 16	201 sq. ft.
Caesalpinia cacalaco Cascalote	20 x 20	314 sq. ft.
Cercidium floridum Blue Palo Verde	34 x 30	707 sq. ft.
Cercidium microphyllum Foothill Palo Verde / Little-Leaf Palo Verde	20 x 20	314 sq. ft.
Cercidium praecox Palo Brea / Sonoran Palo Verde	20 x 20	314 sq. ft.
Chilopsis linearis Desert Willow	25 x 20	314 sq. ft.
Chorisia speciosa Silk Floss Tree	60 x 30	707 sq. ft.
Eucalyptus erythrocorys Red-Cap Gum / Illyarie	30 x 20	314 sq. ft.
Eucalyptus formanii Forman's Eucalyptus	15 x 15	177 sq. ft.
Eucalyptus leucoxydon 'Rosea' White Ironbark	30 x 20	314 sq. ft.
Eucalyptus spathulata Narrow-Leaf Gimlet	20 x 20	314 sq. ft.
Eucalyptus torquata Coral Flowered Gum	20 x 20	314 sq. ft.

**Dimensions in feet unless otherwise noted
